## Jacks football notches 38-14 loss to Milton-Union

By Brenden Waite

Oakwood (0-8) had no answer for Milton-Union's (5-3) rushing attack on Friday night en route to a 38-14 loss.

Milton-Union just looked like they had more to play for as the racked up points on their opponents. In all honesty though, they did have more to play for. Milton-Union is 5-3 and are in the hunt for the playoffs, whereas the Jacks are playing the roles of spoiler and underdog. This is not necessarily a bad role for the Lumberjacks but, a team in contention that is

playing hard will normally trump the spoiler which is playing hard. This was evident in Friday night's game.

Two different backs for Milton-Union had three rushing touchdowns each. They looked like they were on a mission and I doubt the Pittsburgh Steelers could have stopped them, let alone the Jacks defense. The two had all the touchdowns for their team, which was enough to give them the win.

Oakwood did play hard though. They had flashes where

they looked wonderful. One such flash was in the first quarter when Colin Morris dodged and drove for a 45-yard touchdown. He slipped past his opponents on his way to the end zone like a pro, giving Oakwood their first of two scores on the day. But whenever the Jacks would get on a roll, it seemed like a turnover would happen and they would have to start over.

The Jacks next game is at home. Come and cheer them on as they take on Bellbrook in their second-to-last game of the season.

## Jacks soccer solidifies 2nd in SWBL

After suffering a disappointing 1-1 draw to Brookville earlier in the season, the Oakwood boys' soccer team solidified a second place finish in the SWBL final regular season standings by defeating the Blue Devils 3-0 at home on Senior Night at Mack Hummon Stadium.

It was a great way to send off the eight seniors, (Graham Roberts, Anthony Weckerling, Andrew Wade, Tim Fecher, Scott Harman, Marcel Georgan, Zack Rodabaugh and Tyler

Henry-Payne), in their final regular season home game.

The scoring began with only 19 seconds left in the first half with Roberts scoring off of a re-directed ball from sophomore, Alex Gardner after Harman booted a 50+ yard kick from the goal. The Jacks struck again only 4 minutes into the second half when Wade scored off of a nice passing sequence from 3 of his teammates, sophomore Max Snyder, Marcel Georgan, and Weckerling. The scoring ended

when Weckerling put in a goal of his own just three minutes later.

The Jacks then traveled to Dayton Christian for their last regular season game and lost a sloppy 2-0 game in the rain and mud to end the regular season with a 10-5-1 record.

The team enters the post-season tournament with a number seven seed and plays Clinton-Massie in the first round at home on Tuesday, Oct. 20 at 7 p.m. at Mack Hummon Stadium.
