Incidents
THEFT: In the 400 block Aberdeen – Complainant reported that person(s) unknown took a laptop computer from her vehicle, a red Volkswagen Jetta, which was most likely parked in her driveway. Complainant admits that it is possible the vehicle was unlocked, as there is no evidence of forced entry. Neighbors were unable to provide any further information.

THEFT: In the 500 block of Shafor Blvd. – Officer Glen Evans was flagged down by complainant stating that person(s) unknown had removed a Garmin 550 GPS unit from an unlocked 2006 Toyota Highlander. There was no evidence of a break in, but it appeared the vehicle had been gone through, as there were many papers strewn through the car.

Physician sentenced to 84 months

Dr. Richard Sievers, 53, of Oakwood, was sentenced in United States District Court here today to 84 months imprisonment for his participation in a scheme that resulted in the illegal distribution of more than 700,000 dosage units of controlled substances from a storefront medical clinic in Dayton between January and November 2007.

Sievers operated Walnut Hills Family Care, located at 1900 Wayne Avenue in Dayton. Sievers conspired with others to distribute prescription drugs including Amphetamine, OxyContin (oxycodone), Vicodin ES (hydrocodone), Xanax (alprazolam), and Methadone (methadone).

Sievers wrote or approved prescriptions that were not issued for a legitimate medical purpose and were not in the usual course of his medical practice. In particular, the "patients" were not given proper medical examinations prior to the issuance of the prescriptions for the controlled substances. The "patients" would then provide money in return for the issuance of the prescriptions. The "patients" picked up the prescriptions at Walnut Hills Family Care.

Sievers pleaded guilty on June 10, 2009 to one count of conspiracy to possess with intent to distribute narcotics. Ten people, including Sievers, were convicted in connection with the operation.
